

CommuniGator Pricelist

CommuniGator is the only CRM Centric B2B specialist email service provider. Our solution offers a complementary suite of products which all maximise the return for you, the marketer. Our Business Class package gives you EVERYTHING you need to easily and painlessly transfer from your current incumbent, whether that is another supplier or a home built solution, ensuring that you are up, running and sending in the optimum time. Our solution is packed with everything you need for your email campaigns and extends to online surveys, landing zones, trackable online brochures and event management software – which can all then be written into your CRM software. At CommuniGator we have a package to suit your current needs, and grow with you as your requirements develop.
