

Stone recommends Windows 11 Pro for Business

Contemporary & Stylish

StoneAIO ProEdge

The new StoneAIO ProEdge is the ideal choice for those wanting a modern and fully customisable desktop solution. With its internal power supply, side facing multiple panels, USB Type-C Port and 23.8" Full HD Display, it's the key choice for a professional, yet space saving solution. Combine it with the Intel® Core™ Processor options and there's no limit to what you can do with the StoneAIO ProEdge.
